Grading Policy

Your grade will be determined by the following factors:

- Two in-class Exams (100 points each). The dates are: October 8 (Th) and November 12 (Th). Calculators are not allowed during exams/quizzes.

- Four half-hour quizzes will be given (40 points each). The dates will be announced one lecture in advance. In addition, the department will give a diagnostic quiz to assess the math background of students (20 points).

- Maple lab work, projects and quizzes (40 points total).

- Homework assignments (80 points total. Please do them on single page format.) They are to be handed in at the due date at the beginning of my lectures. Submission of work via e-mails will be ignored.

- Final (200 points). Date will be announced by the Registrar Office by mid-semester.

The maximum score should come up to 700 points. The cut-offs for grades are:

- 100 - 89% A to A-
- 88 - 79% B+ to B-
- 78 - 65% C+ to C-
- 64 - 50% D+ to D-
