
Core Problems.

Read the corresponding sections from the text and lecture notes. Use Maple to check your answers, or to facilitate your work. Then do the following problems.

Section 14.7: 19, 33, 39, 41, 45. This part must be finished BEFORE Exam 2.

Section 14.8: 7, 9, 17, 21, 26.

Solutions of these problems should be submitted.

H8.1 No submission (due to Exam 2).
