Project critique worksheet.

Project team:

Project number:

1. Mark project for punctuation, spelling, grammar and obvious style problems in red ink.

2. Question: Where is the project clear? Where is it vague?

3. Question: Where is the project convincing? Where is it unconvincing?

4. Question: What are the strengths and weaknesses of the approach(es) presented in this project? What avenues were overlooked?

5. What are the three most important things needed to improve this report?
